Please contact us if you think your statement is wrong or if you need additional information about a transaction. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need further information.
- 3. Tell us the dollar amount of the suspected error.

You may be required to put your request in writing. We will investigate your complaint and will correct any error promptly.

For Electronic Funds Transfers, if we take more than 10 business days to investigate and correct the error, (20 business days if you are a new customer for electronic funds transfers occurring during the first 30 days after the first deposit is made to your account), we will recredit your consumer account for the amount you think is in error (plus interest if your account earns interest), so that you will have the use of the money during the time it takes us to complete our investigation.

If your account is new (30 days from the date your account was established), has been subject to repeated overdrafts, or we believe the claim is fraudulent, we may delay the availability of recredited funds until we determine the claim is valid or until the 45th day after the claim was submitted.
